S. No.	Client / Division	Project Name	Project Description	Location	Start Date	Comp. Date	Value (SAR)
1	Electricity and Water Autho	ALFATEH U/G of 220kv & 66kv & EDD	Al-Fateh highway upgrade project deviation of 220kv & 66kv & EDD cables	Bahrain	13-10-2019	13-01-2021	32,275,389
2	Saudi Industrial Property Authority (MODON)	Industrial City SS	(i) Construction of ICY-5 110/13.8 KV SS in second industrial city Jeddah (ii) Transmission line 110KV to connect the main power	Jeddah	12-10-2018	12-10-2019	234,976,000
3	Mahindra Susten	Construction of SAKAKA 132 KV SS	Construction of New SAKAKA-PV 132kV Switching Station on Turnkey Basis, including design, engineering, material procurement, quality management, civil construction, testing and commissioning and all associated work until final acceptance of work by SEC. The Project also includes addition/modification of protection, control, communication and SAS modifications at associated existing remote end substations	Sakaka	01-05-2018	01-01-2020	43,125,000
4	SAUDI ARAMCO	Al-Midra Solar PV Replacement/Retrofitting	Replace the old solar panels on the roof of the parking areas	Dhahran - Eastern Province	07-01-2018	15-04-2019	10,012,500
5	TAQNI A ENERGY	EPC for 10 MW (AC) Solar PV Power Plant	Engineering, procurement and construction for 10 MW (AC) Solar PV power plant by supplying and installation around PV modules, trackers, MV switchgear, DC/AC inverter, step up transformers, MV & LV cables	ALAFLAJ	13-09-2017	03-12-2018	52,073,363
6	National Grid	Installation of 110KV UG Cables for 110/13.8KV AL Shalal SS Jeddah	Design, supply, installation, testing and commissioning of Two (2) No. new 110KV underground cable circuits in flat formation & 2 NFOC, using 1x1200mm ² Cu. XLPE Cable per phase from existing 380/110 KV, Khaldiya BSP to 110/13.8 KV Shalal SS Jeddah. The length of each circuit shall be approximately 5.9Km.	Jeddah	16-02-2017	30-08-2021	36,788,000
7	National Grid	construction of AL-BAYAH	Design, engineer, procure, supply and deliver all materials / equipment to the WORK SITE, construct, install, test and commission and put into service for Construction of al Bayah 110/13.8kv at alif as specified in the respective Scope of Work in Schedule "B"	taif	21-08-2016	15-12-2018	72,460,000
8	National Grid	Construction of Al Osaila 110/13.8kv SS at Makkah	Construction of 110/13.8kv SS in Jeddah With Installation & Erection and Complete Testing & Commissioning of GIS, Transformer, SWGR and Control & Protection Panels As Major Scope.	makkah	21-08-2016	15-12-2018	72,460,000
9	National Grid	Construction of Al Haram Road 110/13.8kv SS at Makkah	Construction of 110/13.8kv SS in makkah With Installation & Erection and Complete Testing & Commissioning of GIS, Transformer, SWGR and Control & Protection Panels As Major Scope	makkah	21-08-2016	15-10-2018	72,460,000
10	National Grid	Construction of Al Sail Road 110/13.8kv SS at Makkah	Construction of 110/13.8kv SS in makkah With Installation & Erection and Complete Testing & Commissioning of GIS, Transformer, SWGR and Control & Protection Panels As Major Scope.	makkah	21-08-2016	15-12-2018	57,600,000
11	National Grid	construction of KHANDAMA 110/13.k.v SS	Design, engineer, procure, supply and deliver all materials / equipment to the WORK SITE, construct, install, test and commission and put into service for Construction of Khandamah 110/13.8kv at makkah as specified in the respective Scope of Work in Schedule "B"	makkah	21-08-2016	30-05-2021	53,760,000
12	National Grid	Construction of Al Wesam 110/13.8kv SS at Makkah	Construction of 110/13.8kv SS in makkah With Installation & Erection and Complete Testing & Commissioning of GIS, Transformer, SWGR and Control & Protection Panels As Major Scope.	makkah	21-08-2016	15-02-2019	53,260,000
13	Saudi Electricity Company West Operating Area (SEC- WOA)	Construction of New Makkah Housing (MKH) 380/110/13.8kv BSP.	GIS, Power Transformer Aux. Transformer with complete HV/MV Power Cable, terminations, AC/DC, Aux. Power Supply, Interlocking, Metering, Control & Protection, SAS & Telecom along with Civil & Mechanical Works & Addition/Modification of Protection.	Jeddah	27-12-2015	27-05-2018	400,599,149
14	Saudi Telecom Company (STC)	Replacement of Equipment & power Connection to STC sites	Replacement of Equipment & power Connection to STC sites	KSA	04-12-2015	30-08-2016	11,250,000
15	National Grid	Construction of Almadinah Almunawarah Housing 110/13.8 KV SIS	Construction of 110/13.8kv SS With Installation & Erection and Complete Testing & Commissioning of GIS, Transformer, SWGR and Control & Protection Panels As Major Scope.	Madinah almonarah	13-11-2015	12-10-2017	96,636,570
16	National Grid	Construction of Makkah-3 Housing 110/13.8 KV SIS	Construction of 110/13.8kv SS With Installation & Erection and Complete Testing & Commissioning of GIS, Transformer, SWGR and Control & Protection Panels As Major Scope.	Makkah	12-11-2015	30-01-2022	96,925,611
17	National Grid	Construction of Makkah-2 Housing 110/13.8 KV SIS	Construction of 110/13.8kv SS With Installation & Erection and Complete Testing & Commissioning of GIS, Transformer, SWGR and Control & Protection Panels As Major Scope	Makkah	12-11-2015	30-01-2022	95,042,663
18	Saudi Electricity Company West Operating Area (SEC- WOA)	Construction of 110/13.8 KV Sari SS in Jeddah	Construction of 110/13.8kv SS With Installation & Erection and Complete Testing & Commissioning of GIS, Transformer, SWGR and Control & Protection Panels As Major Scope.	Jeddah	30-09-2015	30-10-2017	82,813,536
19	Saudi Electricity Company West Operating Area (SEC- WOA)	Addition of Power Transformer at Khulais BSP Addition of Power Transformer at Khulais BSP	Installation of 1 transformer and extension work, design, erection and testing work at Taif	Khulais	30-09-2015	29-12-2020	30,982,800

20	National Grid	system reinforcement Retirement of generation at MPSS/s	Supply and install, single mode, overhead all dielectric Self- supporting non-metallic fiber optic cable (ADSS NFOC) If applicable at all locations where the installation of OPGW is not	makkah	14-09-2015	30-10-2021	117,414,241
21	National Grid	Construction of Heraa 110/13.8 KV SS	Design, engineer, procure, supply and deliver all materials / equipment to the WORK SITE, construct, install, test and commission and put into service .	Jeddah	14-09-2015	30-10-2021	88,027,704
22	Saudi Electricity Company West Operating Area (SEC - WOA)	Construction of new 110/13.8kV Rawabi SS	3) Nos. 50/67MVA 110/13.8KV Power Transformer (11) Nos. 110kV GIS Bays with LCC Panels (47) Nos. 13.8kV MV Set Switchgears (2) Nos. 13.8/0.4kV, 750KVA Auxiliary Transformer 48V and 125VDC Batteries and Charger System	JEDDAH	14-09-2015	08-11-2020	92,685,780
23	National Grid	Construction of GREGAR 132/13.8kV Substation in Asir	Design, engineer, procure, supply and deliver all equipment and materials to the work site, construct, install, test and commission and put into service for GREGAR 132/13.8kV Substation in Thama as per the following described: 12 Nos. 132KV GIS Bays, 3 Nos. 132/13.8KV 50/67MVA Power TR, 44 Nos. 13.8KV SWGR, 3 Nos. 13.8kV capacitor banks (5MVAR),	Asir- KSA	12-05-2015	30-12-2018	139,363,407
24	National Grid	Construction of BAREQ 132/33KV Substation in Thama	Design, engineer, procure, supply and deliver all equipment and materials to the work site, construct, install, test and commission and put into service for BAREQ 132/33KV Substation in Thama as per the following described: 12 Nos. 132KV GIS Bays, 3 Nos. 132/33KV 80/100MVA Power TR, 41 Nos. 33KV SWGR, 6 Nos. 33kV capacitor banks (5MVAR)	Thama- KSA	12-05-2015	30-12-2018	121,607,867
25	National Grid	Construction of MUDAYLIF 132/33 KV substation in Takhamah	Design, engineer, procure, supply and deliver all equipment and materials to the work site, construct, install, test and commission and put into service for MUDAYLIF 132/33KV Substation in Thama as per the following described: 13 Nos. 132KV GIS Bays, 2 Nos. 132/33KV 80/100MVA Power TR, 28 Nos. 33KV SWGR, 4 Nos. 33kV capacitor banks (7MVAR)	Thama- KSA	12-05-2015	30-10-2018	115,688,673
26	National Grid	Construction of AL- SHABAYN 132/33KV Substation in Thama	Design, engineer, procure, supply and deliver all equipment and materials to the work site, construct, install, test and commission and put into service for AL SHABAYN 132/33KV Substation in Thama as per the following described: 10 Nos. 132KV GIS Bays, 2 Nos. 132/33KV 80/100MVA Power TR, 28 Nos. 33KV SWGR, 4 Nos. 33kV capacitor banks (7MVAR)	Thama- KSA	12-05-2015	08-08-2018	111,014,762
27	National Grid	Extension of QALWAH 132/33KV Substation in Thama	Design, engineer, procure, supply and deliver all equipment and materials to the work site, construct, install, test and commission and put into service for EXTENSION OF QALWAH 132/33KV Substation in Thama as per the following described: Extension of 1 No. 132KV Bay, 4 Nos. 33KV SWGR, Extension of RTU, Extension of control system, Extension of Communication system, HV cable terminations,	Thama- KSA	12-05-2015	31-12-2018	40,460,839
28	National Grid	AL GAYAH	Installation of 1 transformer and extension work, design, erection and testing work at Taif	Taif	02-04-2015	15-06-2017	4,527,142
29	National Grid	Construction of Al- Naseem SS 110/13.8 kV in Makkah	Construction of 110/13.8kV SS in Makkah With Installation & Erection and Complete Testing & Commissioning of GIS, Transformer, SWGR and Control & Protection Panels As Major Scope.	Makkah	02-04-2015	15-06-2017	79,344,675
